First Colonial High School

Virginia Beach, Virginia

Nobody grows old by merely living a number of years; people only grow old by deserting their ideals. Nor is youth simply a matter of ripe cheeks and supple knees. Youth is a temper of the will, a quality of the imagination, a vigour of the emotions and a freshness of the deep springs of life. Years may wrinkle the skin, but to give up enthusiasm wrinkles the soul. Whether seventeen or seventy, if there is in one's heart the love of wonder, the childlike appetite of what's next, and the courage to play the games as the rules are written, that person is young. Men do not quit playing because they grow old; they grow old because they quit playing.

Oliver Wendell Holmes

Time will bring to light  
whatever is hidden, it will  
cover up and conceal what  
is now shining in splendor.

Horace

A smile costs  
nothing, but  
gives much.  
It takes but a  
moment, but the  
memory of it  
sometimes lasts  
forever.

Author Unknown

Try to remember the  
good times — warm days  
filled with sunshine, and  
just a little bit of rain.

Fred Neil

One of my wishes is that those dark trees, So old and firm they scarcely  
show the breeze, Were not, as t'were, the merest mask of gloom,  
But stretched away unto the edge of doom.

Robert Frost

A friend of mine died today, a part of me died too. Time, what makes  
you tick and then decide to stop?

Author Unknown

To everything there is a season, and a time to every purpose under the  
heaven.

Ecclesiastes

If the doors of perception were cleansed, everything would appear to  
man as it is, infinite.

Author Unknown

My interest is in the future  
because I am going to spend  
the rest of my life there.

F. Kettering

Mrs. Julie Nixon Eisenhower is escorted by Mr. Brickell into the Civic Center to attend the Virginia Beach Arts Festival.

## Mr. E.C. Bowyer Brings New Insight To Student Body

First Colonial is most fortunate in having such a fine principal in Mr. E. Carlton Bowyer. Mr. Bowyer and his staff, Mr. Charles Caldwell, Mr. Charles Atkinson, and Mr. Frank Peele directed the faculty and students in the dual shift system. This was first initiated last year at First Colonial and has since become the model for all Virginia Beach Public Schools.

## Ann Rasberry Leads Class of '74

This was the most spirited year for the class of 1974. Under the leadership of Mrs. Brinkley, the 638 sophomores undertook many activities. One of the most successful activities was a dance given in the fall to raise funds for charitable organizations. Class officers led by Ann Rasberry, President, advised fellow sophomores throughout the year of their responsibilities to the class, the school, and the community.

# Eighth Graders Rebound And Win Spirit Week

The Class of 1976, with 370 members, proclaimed their spirit by actively participating in homecoming and winning spirit week. With the encouragement of Mrs. Griffin and Mrs. Matson the 8th graders took an active part in a variety of money raising projects. These projects included a slave and candy sale. Money was also raised and donated to the Literary Magazine and Town Crier. Benefiting First Colonial in more ways than one, the class of 1976 is truly one of spirit and ambition.

# Patriots Win City Championship

This year the Patriot's Varsity Football team owned the title Number One. Summer training began the season with hard practices, but winter victories followed as the Patriots met their foes. All through the victorious season, the team displayed outstanding qualities in passing, receiving, intercepting, running, and scoring. The yardage and respect that the Patriots gained and held this year were of equal importance. Not only did the Patriots possess the 9-1 record which was a highlight of the year, but also held some of football's most talented players. These outstanding players were Scott Davison, making first team All-Tidewater, George Myers, second team All-Tidewater, Mike Waring, first team All-Metro, and Butch

Foley and Chris Paphites, second team All-Metro, also Carter Sinclair as the scholar-athlete. Along with these players we congratulate Coach Webster for being chosen the "Prep Grid Coach of the Year."

# The Time Has Arrived For Closing Thoughts

Looking back on the 1971-1972 school year at First Colonial, we are filled with memories of involvement. There have been times of achievement and experience, each leaving deep impressions upon us. Much of the old and familiar, masquerading in the semblance of newness, characterized a year filled with these ideas, with disappointments and rewards, with unwanted changes and welcomed innovations. Still, First Colonial remains a combination of all these aspects, memories of a total image that will be carried with us always.

The 1972 Heritage is the product of endless hours of work by many individuals. I would like to thank Mr. E. Carlton Bowyer for allowing the staff freedom in expressing our ideas and making our own decisions. I thank Mr. William McIntosh and his photographers, Jerry Kelly and Thom Roberts, for the excellent pictures that they took for us. The pictures taken by some of our students are also appreciated. Mr. John Perry, our representative from Hunter Publishing Company, was an invaluable help to the staff. I thank our patrons and advertisers for the financial assistance needed to produce this annual. Our sponsors, Mrs. Gwen Infantino and Mr. Don Harvey, receive special thanks. Their patience, guidance and many suggestions throughout the year contributed much to the Heritage's contents. I thank my staff, whose untiring efforts with pictures, copy and meeting deadlines has made this edition possible. I also thank the faculty and students for their support.
